

Carbon Neutral Certificate

TOP MARKS

This certificate attests that **TOP MARKS** conducted a global inventory of GHG emissions from its operations for the year 2010. By this certificate, we certify that **TOP MARKS** has in fact purchased the required credits to offset all of its emission of Co2 produced by its operations which amounts to seventy-five (75) tons of greenhouse gas (CO₂équivalent) produced in the framework of its corporate operations.

The acquired credits focus specifically on Canadian projects of reforestation

BLEU INNOVATION acquired for **TOP MARKS**, through **CARBONE BORÉAL** and **ZERO FOOTPRINT** the required credits being attested by the present certificate
